Honored Sir,

Being given to understand that the Engineering Scholarships of Rs 25 each given by the Mysore Government are vacant I beg to bring the following few lines to your honor's kind consideration

I am a native of Mysore and was educated in the Maharajah's College at Mysore I passed my Matriculation Examination in 1878 being the 4th boy in the second class I was the second boy from the province and the first in the province of Chickmagalore which is enough to get by your honor's kindness either acting as Controller of the palace, one of the palace Scholarships In passing the F A Examination in 1880, I got a first class and was the first in the Province The Scholarship was

PTO

Land Revenue Bill Branch

5

Continued for two years more when I prose-
-cuted my studies for the B A Examination
in the Presidency College I have just passed
the degree Examination taking the third
place in the second class and being the
second from the College. In the late Proficiency
Examination of the College, I took a second
grade, was the second boy and was the
first in Mathematics for which I
got the Maharajah of Vizianagrum's
prize. For being the second in Sanskrit in
the degree Examination, I got the prize
awarded by the Maharajah of Vizianagrum
While I was a student, all the professors had
a very good opinion about me in proof of
which I enclose copies of testimonials.
My intention is to study for either for
the B L Examination or for the M.A.
in the second Branch (Mathematics) both
of which require a great deal of help in
~~the shape of~~ money Therefore I request
your honor to be good enough to award
me one of the Engineering Scholarships or
one for studying for the M A Examination
It is already too late to join the Engineering
College here as it was opened two months
ago Therefore I request your honor to let

6

I have a favourable reply as early as possible for which act of kindness I shall as in duty bound pray &c

I beg to remain,
Honored Sir,
Your honor's most obedt
